

CERTIFICATE

The company

Thygesen & Birk Fabrics A/S
Marsvej 5
7430 Ikast, DENMARK

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the OEKO-TEX® mark, based on our test report **1319876-54-32**

for the following articles

Knitted fabrics made of cellulosic, proteinic and synthetic fibres in various compositions, undyed and dyed, on the basis of Oeko-Tex® certified yarns as well as commercial dyeing and finishing - including yarns with flame retardant products as well as finish with biologically active product accepted by Oeko-Tex®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 30.11.2017
